Re: *Castillo v. Perfume Worldwide, Inc.*, 17-cv-02972

Dear Judge Tomlinson:

I represent the Plaintiffs in the above referenced matter. By Docker Order dated April 14, 2021, the Court temporarily stayed the Plaintiffs' Motion (DE 296) and Defendants' Cross Motion (DE 298). The Court further directed the parties to file a joint status report on or before April 30, 2021 informing whether settlement negotiations have been successful.

On April 28, 2021 the parties submitted a joint request for a stay of the pending motions until May 14, 2021. (DE 306).

The parties are pleased to advise the Court that the parties have finalized the terms of a class and collective action settlement agreement. However, the agreement is of course subject to execution by the parties and approval by the Court.

The Plaintiffs hereby request until June 30, 2021 to file the motion for preliminary approval of the class and collective action settlement and Court-authorized notice.

Respectfully submitted,

Steven J. Moser
